EDUCATION

Software Engineering 2020 - 2023

Sekolah Menengah Kejuruan Negeri 8 Malang

EXPERIENCE

Meraki Studio - 2025 to Present

Technical Advisor - Part-time

Meraki Studio is a animation studio focusing on IP development and 3D animation service. As the technical advisor, I was responsible to advise the director on the convincing portrayal of the subject.

Tiny Sun Games - 2022 to Present

Founder - Self-employed

Tiny Sun Games is small indie game developer team based in Malang, Indonesia. My responsibility is to oversee game production and coordinate team member tasks. I mostly work on tech art.

Chiyo - 2023 to 2024

Game Developer Generalist - Freelance

Chiyo Creative Fun House is a animation studio focusing on 3D project services such as animated series commercial and original content. As a game developer generalist, I do work such as creating pixel art, and programming such as Unity and Unreal.
